SOLUTIONS

SOME OF OUR REFERENCES

WHO ARE WE?

- Melasoft Information Technologies, a software company established in 2013, provides IT solutions with a visionary perspective.

- Soon after its establishment, it completed the SAP Application Development Partnership process and became a SAP Partner.

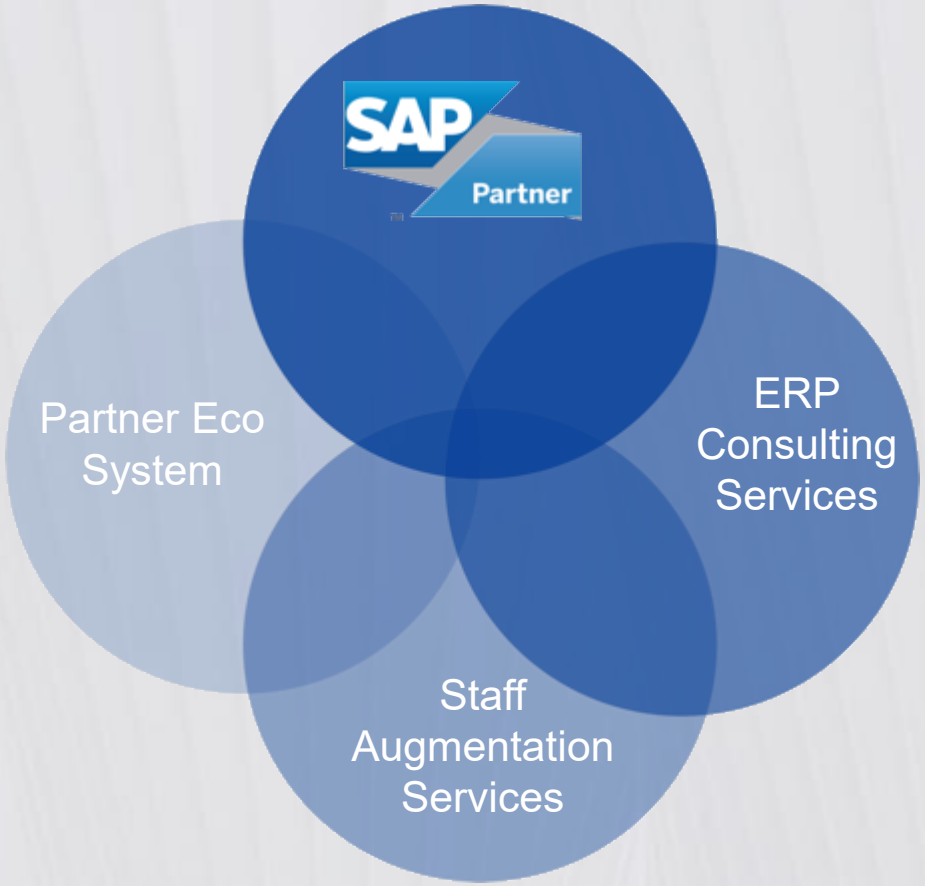
- Today, we continue to take an active role with our solutions in domestic and international projects, add-on products and consultancy services. As Melasoft, we provide services with many SAP solutions especially e-Archive, e-Invoice, e-Ledger and e-Waybill. We provide consultancy to our clients' SAP projects with our expert SAP consultants.

OUR SAP OFFERINGS INCLUDE

- SAP S/4 HANA
- SAP EWM
- TECHNOLOGY SOLUTIONS DELIVERY
  - Fiori / SAPUI5
  - Portal / Webdynpro / ABAP
- INTEGRATION SOLUTION
  - SAP PI
  - SAP PO
- SAP BASIS / HANA
- TESTING / TRAINING SERVICES

HOW WE DELIVER ON BIG PROMISES

- **SAP PARTNER:** Early adaptation and training.
- **FLEXIBLE WORKFORCE**: Flexibility to ramp up project teams when required.
- **GLOBAL PARTNER ECO SYSTEM**: Niche requirements across locations.
- **SAP FOCUSED ERP PRACTICE**: While supporting SAP customers we keep an eye on emerging ERP solutions to bring the best.
- **FLEXIBLE ENGAGEMENT MODEL**: Our consulting services aim to suit all budget and complexity.



WHY SHOULD YOU CHOOSE MELASOFT?

- We look forward to helping you make informed decisions. For us it’s about helping to get the most of this transition.
- We are open about our capability, strengths and focus area. We can’t and don’t want to “do it all”.
- We love technology disruption and we equip ourselves to help customers get the best of them.
- We work with experienced consultants and we support them to achieve their best.
- We are flexible in our engagement to suit project size/scale to address client needs. It also means lower cost and overhead for customers.
- Our Staff augmentation enables quick ramp up and cost effective deployment.
