E-Invoicing Exchange Summit Europe: ViDA and the Major Industry Trends, Challenges and Opportunities

Switzerland, August 2023 – European Commission's VAT in the Digital Age (ViDA) proposal and its effects on how to issue, exchange, process E-Invoices, and on how to report VAT data will be at the centre of discussions at the E-Invoicing Exchange Summit in Dublin from October 2 to 4, 2023. The presentations and the discussions with international high-level experts will shed light on how to maximise efficiency potentials for businesses under ViDA E-Invoicing.

Key topics from the agenda

- + The Commission's Proposal on VAT in the Digital Age - State of Play
- + Peppol and Decentralised Continuous Transaction Controls (DCTCE)
- + What Governments Can Do to Ease CTC Introductions
- + Requirements and Technical Specification to Extend EN 16931 for B2B E-Invoicing
- + Preparing for E-Invoicing from a Finance, IT, and Tax Perspective
- + Update on Global Regulatory Compliance and Legal Frameworks for B2B, B2G and B2C
- + Maximising Efficiency Potentials for Businesses under ViDA E-Invoicing

An exhibition of the leading industry partners in the field of E-Invoicing, payment and process automation will be featured.
