

E-Invoicing Exchange Summit Europe

When and where

September 30 to October 2, 2026

Berlin, Germany

Short description

The E-Invoicing Exchange Summit Europe will be held in Berlin from September 30 to October 2, 2026. It offers in-depth insights into recent developments and future trends in E-Invoicing, E-Reporting, and related digital transformation initiatives. Participants will have the opportunity to connect with leading experts from governments and industry and expand their professional network.

The event begins on Wednesday, September 30, with a series of workshops, followed by the Icebreaker Welcome Reception in the early evening. The conference itself will take place on Thursday and Friday, October 1 and 2, alongside an exhibition showcasing leading solution providers and services.

This year's edition will focus on the strategic opportunities and challenges arising from E-Invoicing and digital tax reporting requirements. It will provide deep insights into the latest country developments and cross-border interoperability initiatives.

Participants will gain practical insights from governments, industry experts, and solution providers on how to transform compliance requirements into operational efficiencies and competitive advantages.

Attending

Special rates are available for invoice issuers and recipients from the corporate sector and public administration. Fees start from EUR 1,350.
