Comarch is an international provider of IT solutions which helps clients to achieve greater profitability and to advance in their specific sectors with a wide range of innovative products, solutions and services of the highest quality. Founded 20 years ago, the group of companies is globally established, and employs about 4 000 people. Comarch has gained vast experience in key sectors (telecommunications, finance, banking and insurance, services, public administration, industry, health, as well as in the small and medium-sized enterprises sector) offering own developments, consulting and integration services concerning CRM, EDI, DMS/ECM, ERP, BI, billing, customer and network management, financial services management and IT infrastructure services.

Datamolino is an invoice archive solution that automates data entry process for business of any size. Users can upload bills or receipts to Datamolino where the relevant data is extracted from these documents and prepared for import into their accounting software or ERP system. This is achieved through API integration into existing business systems or web front-end. Datamolino also serves as a collaboration platform between a business and its accountant. The business has its bills and receipts neatly organised in an accessible online archive. The accountant can focus on his work and not on manual data entry. Users can share their bills and receipts with co-workers, comment on them or attach supporting documentation. Datamolino can be provided as a service without the upfront setup or the cost of specialised software, but it can also be provided as a solution deployed on customer specific infrastructure.

THE WHO’S WHO OF E-INVOICING

Why should you be listed in the WHO’S WHO?

www.exchange-summit.com is the dedicated website for the E-Invoicing Community. We are building a large network which every day attracts more and more decision makers among users and vendors of E-Invoicing services and products.

Make yourself easy to find for your target group!

How do you join the WHO’S WHO?

These steps will enable your company being listed in the WHO’S WHO:
1. Write the text of your desired company portrait (up to 500 digits included space)
2. Attach you company logo in *gif or *jpeg format and send your email to info@vereon.ch

That is it: as soon as we have verified your payment and received your logo and text we will list you in the WHO’S WHO.

How much will I have to invest?

For nothing more than just Euro 150 (excl. VAT) starting 15th of March for one year you will be prominent member of the WHO’S WHO.

Check out WHO’s WHO at www.exchange-summit.com
